CUSTOM CARD GUIDELINES

Belgrade State Bank reserves the right to determine, in its sole discretion, whether a submitted image will be accepted or rejected. All images submitted must have the consent of the owner including those images downloaded from the internet.

Any images that contain the below items will not be accepted:

- Company names, logos, slogans, third party brands, trademarks, copyrighted items, or any image which may be protected by trademark or copyright.
- Professional athletes, politicians, celebrities, public figures (excluding permission-based photos of you, your family members, or friends photographed with a famous person).
- Depictions of illegal activities or otherwise inappropriate behavior.
- Addresses, phone numbers, social security numbers or other personal identification numbers, URL addresses.
- Items that may be considered obscene, offensive, indecent, provocative, nude, semi-nude, lewd, or otherwise, inappropriate images, including profanity.
- Political affiliations or other socially sensitive images.
- Racially sensitive material.
- Artwork which was created by a third party for which you have not obtained permission from the owner to use.
- Cartoon or other characters for which express permissions have not been obtained. This includes images that you have not created and/or do not have permission to use.
- Any other image which is deemed unacceptable and reflects negatively on the branding message of Belgrade State Bank.

Please note:

Images that do not meet the above guidelines will be rejected. You may then submit another image. Belgrade State Bank reserves the right to exclude anyone from future use of the custom card design service who submits or repeatedly submits images that do not follow these guidelines.

Tips for selecting an image:

- Image files should be in either .jpg, .gif, or .png formats
- Images should be a minimum of 1024 x 640 pixels for best picture quality
- Images that are small in size do not reproduce with a high quality. For the best clarity, use a larger image with higher resolutions
- Landscape orientation photos work best
